Brief Introduction

5th Guangzhou International Wooden House & Wooden Structure Fair (Wooden House Guangzhou) the largest specialized exhibition on wooden house and wooden structure sector in China, will be held in China Import & Export Fair Pazhou Complex during May 09-11, 2013, which is definitely a pretty fabulous event for world's wooden house professionals to exchanging ideas and a one-stop platform for participates to develop this emerging market.

China Wooden House Market

- There are about only 200 wooden house manufacturing companies in this huge market.
- Chinese wooden house and wood industry still lag in technology and design concept.
- Professionals indicate that China will increase a construction area of 30 billion square meters in the next 15 years.
- The amount of the wooden house is rapidly increased with a speed of 20% annually.
- Canada Wood Industry Association, Europe Wood Industry Association, American Forest & Paper Association (AF&PA), all make their steps into this market.

Undoubtedly, China wooden house industry is facing a new consumption peak. So, it is wise to seize such opportunity to be part of the Wooden House Guangzhou!
